Engine Oil Flush

\$19.95* plus tax

In addition to our standard oil change package, we will install and circulate a powerful cleaner to remove damaging sludge and deposits from your lubrication system. The system is then refilled with high quality motor oil and a conditioner to prevent oxidation and reduce friction and wear.

- This Service is especially valuable when you acquire a used vehicle where the previous service history may not be known or you have driven a vehicle beyond the recommended service interval

*Engine Flush service is an additional charge to your Selected oil change package
